INTRODUCTION

BACKGROUND

1. The Maryland State Retirement and Pension System (the “system”) is a cost-sharing multiple employer public employee retirement system composed of two cost-sharing pools, established under Division II of the State Personnel and Pensions Article, Annotated Code of Maryland (the “SPP Article”) to provide retirement allowances and other benefits to state employees, teachers, police, judges and legislators, and employees of participating governmental units. The system has the powers and privileges of a corporation. (SPP Article §21-101; §21-102)
2. Responsibility for the system’s administration and operation is vested in a 15-member Board of Trustees (“board”). (SPP Article §21-108)
3. The trustees of the board are fiduciaries, and as such are required to discharge their duties with respect to the system solely in the interest of, and for the exclusive purpose of providing benefits to, plan participants. (SPP Article §21-203) Trustees are further expected to discharge their duties with the utmost honesty and integrity.

PURPOSES

4. The governance policies and charters are intended to:
 - a. Establish the manner in which the board of the system and its committees shall conduct themselves so as to allow the board to carry out its responsibilities as effectively and efficiently as possible, and in accordance with applicable law, including state ethics laws.
 - b. Facilitate effective communication between and among the trustees, executive director, chief investment officer, agency staff, system participants, and external parties.
 - c. Establish guidelines by which service providers shall be selected and retained.
 - d. Establish board expectations concerning routine reports it is to receive from various sources.
 - e. Ensure that all policies adopted by and actions taken by the board are consistent with applicable law and the fiduciary duties of the board and staff.
 - f. Establish the responsibilities of the executive director and the process by which the executive director shall be evaluated.
 - g. Establish the responsibilities of the chief investment officer and the process by which the chief investment officer shall be evaluated.
 - h. Ensure that all trustees are provided with adequate opportunity and assistance to acquire the knowledge they need to carry out their fiduciary duties.
 - i. Provide a process whereby the trustees may conduct self-analysis to ensure continuous improvement in the board’s effectiveness.

- j. Further the objective that the board's primary focus shall be on setting general direction and policy and on monitoring its implementation, and the executive director shall be fully accountable for the operational performance of the agency, except for investment performance which shall be the responsibility of the chief investment officer.
- k. Ensure that the system engages in a long-range strategic and an annual business planning process to meet the needs of the system and that the resultant long-range strategic and annual business plans are communicated to all organizational levels.
- l. Be subject to review and revision every three years.

**MARYLAND STATE RETIREMENT AND PENSION SYSTEM
BOARD OPERATIONS POLICY**

Establish the manner in which the Board of Trustees of the system and its committees will conduct themselves so as to allow the board to carry out its responsibilities as effectively and efficiently as possible, and in accordance with applicable law, including state ethics laws.

POLICY GUIDELINES

Officers

1. The Trustees are required to annually elect from among themselves a Board Chair, a Vice-Chair, and any other officers as may be necessary for the Board to carry out its duties and responsibilities.
2. The Trustees shall elect a Secretary by a majority vote of all Trustees, who may be one of its members or may be the Executive Director. The Secretary shall have those duties set forth in paragraph 4(a) of the charter for the Executive Director.
3. The Trustees shall elect the Board officers by secret ballot. Board officers are to be elected at the last regular meeting held in the fiscal year and shall assume office as of the first regular meeting held after the election. Board officers will serve for a term of one year.
4. The order of elections shall be as follows: Board Chair, Vice Chair, Secretary, and any other officers as may be established.
5. The procedures for the election of an officer are as follows:
 - a. The Board Chair shall open the floor to the Board for nominations. Trustees may nominate themselves or another Trustee. Nominations must be seconded by another Trustee;
 - b. Trustees who do not expect to attend the meeting may submit nominations in writing to the Board Chair or the Executive Director prior to the Board meeting at which Board officer elections are scheduled. The Board Chair or the Executive Director will present any written nominations to the Board after the floor is opened for nominations;
 - c. Trustees nominated by a fellow Trustee must formally accept the nomination;
 - d. Once nominations are closed, the Board Chair will read and confirm the list of nominees. In the event that the Board Chair is a nominee, the Board Chair shall hand over the duty to preside over the elections to the Vice Chair or to another Trustee who is not a nominee (hereinafter the "Presiding Officer");
 - e. Each nominee may address the Board for a maximum of five minutes, in an order to be determined by the Presiding Officer. The time limit will be enforced by the Presiding Officer. A written statement may also be distributed;
 - f. With the exception of the secretary, the election of the officer requires a majority of those Trustees present and voting. The election of the secretary requires a majority vote of all of the Trustees. If the office remains unfilled after the first ballot, balloting should be repeated as many times as necessary to obtain a majority vote for a single nominee. If the election is not decided by the third ballot, the nominee with the lowest number of votes

shall be removed from each successive ballot. This rule shall not apply if it would eliminate all but one nominee from the ballot:

- g. Voting shall be by secret ballot. Ballots shall be submitted to the Chief Internal Auditor for tabulation, the results of which shall be reported to the Presiding Officer;
 - h. Notwithstanding subparagraph (g) of this paragraph 4, Trustees participating in the Board meeting by telephone or video conference may submit their votes by a separate telephone call or e-mail to the Chief Internal Auditor. In the event that an election is held at a meeting of the Board where all Trustees attend via electronic means, votes may be submitted to the Chief Internal Auditor using an electronic polling method configured so that all votes are anonymous and only accessible by the Chief Internal Auditor;
 - i. Proxy voting is not permitted; and
 - j. The outcome of the election shall be announced at the meeting and noted in the Board minutes.
6. Newly elected officers shall assume their respective offices as of the first regular meeting held after the election.
7. In the event that a vacancy or the absence of the Chair, the Vice-Chair shall assume the duties of the Chair. In the event that a vacancy shall occur in the position of Vice-Chair or in the positions of both the Chair and Vice-Chair, for any reason, the Board shall elect a successor for the balance of the unexpired term at its next regular meeting.

Designees

8. The following trustees, serving *ex officio*, may appoint a designee to serve on behalf of the *ex officio* trustee on the board:

- 18. The board may approve the establishment of ad hoc committees in consultation with the executive director and/or the chief investment officer, provided that the responsibilities of the ad hoc committees do not overlap with those of any standing committee. The chairman shall recommend to the board for its approval the members, the chairman, and vice chairman of each ad hoc committee.
- 19. The executive director shall prepare for board approval a charter for each standing committee that provides a description of the committee's mandate.

28. If neither the committee chairman nor vice chairman is present at a committee meeting, the committee members may appoint a chairman from among those members present for the meeting.
29. Ad hoc committee meetings shall be scheduled, as needed, by the chairman of the committee in question. Timely notice of the meetings shall be given to the ad hoc committee members, and, if required under the Open Meetings Act, to the public in accordance with GP Article §3-302.

35. A meeting location will be designated in advance for an electronic meeting, and trustees and committee members may attend in person if desired. To the extent practicable, members of the public who wish to attend an open session of a meeting that is being held electronically will be required to attend in person if a designated meeting location is available. If a public meeting location is not available, the Executive Director will provide notice of an alternative method for public attendance on the Agency's website as soon as is practicable prior to the meeting.
36. The Executive Director, or the Executive Director's designee, shall serve as the electronic "meeting host." The meeting host is responsible for operating the electronic meeting technology at the designated meeting location, and will be responsible for:
- a. activating the electronic meeting technology prior to the call to order;

39. The executive director or his or her designee, in cooperation with the chairman and respective committee chairmen, shall prepare and distribute a written agenda for all regular meetings of the board and standing committees.
40. To the extent practicable, the agenda and related materials for board and standing committee meetings shall generally be distributed to trustees at least seven calendar days in advance of the meeting. The agenda shall be made available to the public before a meeting in accordance with the Open Meetings Act. Members of the public wishing to obtain copies of the materials may do so to the extent and in the manner the materials are available under the Maryland Public Information Act.

Attendance

45. Each trustee shall attend at least 80% of the regularly scheduled board meetings. An excused absence may be granted by any officer of the board for illness, family emergency, jury duty, or attendance at investment or fiduciary training, and such absence shall not be considered an absence for purposes of meeting this requirement. (SPP Article §21-104(e))

46. If a trustee is unable to attend a meeting of the board or a committee, the trustee shall notify the executive director as soon as possible to help ensure that a quorum will be achieved.

- 55. The minutes as approved by the board or committee and signed by the secretary or designee shall be preserved as a part of the permanent record of the board or committee, and shall be open to public inspection in accordance with the Open Meetings Act.

**MARYLAND STATE RETIREMENT AND PENSION SYSTEM
BOARD COMMUNICATIONS POLICY**

Facilitate effective communication between and among the trustees, agency staff, system participants, and other stakeholders and external parties.

POLICY GUIDELINES

Communication Among Trustees

1. The board shall carry out its activities in the spirit of open governance and in accordance with relevant law. The board may conduct certain business in closed session in accordance with the provisions of the Open Meetings Act.
2. Trustees shall communicate in an open, straightforward, timely and constructive manner during meetings of the board and committees.

Trustee Communication with System Participants

3. Trustees shall be aware of the risk of communicating inaccurate information to plan participants and the potential exposure to liability and possible harm to a participant that may result from such miscommunications. To mitigate this risk, trustees shall refrain from providing specific advice, counseling or education with respect to the rights or benefits a participant may be entitled to under the SPP Article.
4. In the event a plan participant requests that a trustee provide explicit advice with respect to system policy on benefits, the trustee should assist the plan participant by referring the plan participant to the executive director or his or her designee or by having the executive director or his or her designee contact the participant. The trustee shall be informed of the outcome.
5. Trustees shall refrain from any *ex parte* communications with a party to an administrative appeal regarding the subject matter of the appeal until after the final conclusion of the matter.

Trustee Communication with the System's Management

6. The board or a committee shall request any research, analyses and reports from staff as are necessary for the board's or committee's effective oversight of the system. Such requests will be included on the agenda and considered at a regularly scheduled meeting. If approved, the executive director or chief investment officer, as appropriate, will be responsible for coordinating the completion of the approved report or information within a reasonable time or by the completion date specified in the board or committee action.
7. Individual trustees shall direct questions regarding any aspect of the system's operations to the executive director. Trustees making individual requests for information will be advised to request that the item be placed on the board meeting agenda unless the information is readily available, and the executive director determines that a response will not require any significant commitment of staff time or resources. The executive director will ensure that information that has been requested by an individual trustee is made available to all trustees, as appropriate.

8. Board or committee requests for advice from the Office of the Attorney General, necessary for the effective oversight of the system, shall generally be requested at a regularly scheduled meeting, and may be requested in closed session as appropriate. Counsel will provide the advice requested to the board or committee. Individual trustees may contact the system's principal counsel with questions pertaining to the trustee's participation on the board or participation in a matter before the board or a committee as appropriate. Counsel will ensure that information that has been requested by an individual trustee is shared with the executive director.
9. In the spirit of open communication, individual trustees shall share any information pertinent to the agency with the executive director in a timely manner. The executive director shall similarly share with the board any information pertinent to the board in a timely manner.
10. The executive director shall ensure that information that has been requested by the board or by a trustee is made available to all trustees as appropriate.

Trustee Communication with External Parties

11. The executive director or the chairman or their designee shall serve as the spokesperson for the system, unless the board designates another member of the board to serve as spokesperson on a specified issue. The following guidelines shall apply with respect to the spokesperson:
 - a. If time permits, and to the extent permitted by the Open Meetings Act, the spokesperson shall address sensitive, high profile issues with as many members of the board as possible, prior to engaging in external communications. At a minimum, the chairman and vice chairman shall be contacted.
 - b. To the extent possible, in situations where board policy concerning an issue has not been established, the board or an appropriate committee shall meet to discuss the issue prior to the spokesperson's engaging in external communications.
12. When asked to be interviewed or otherwise approached by the media for substantive information concerning the affairs of the system, trustees should generally refer the matter to the executive director or spokesperson, and shall make no commitments on behalf of the board or the system.
13. If asked to serve on a panel or speak at a meeting or conference involving matters of interest to the system, a trustee should contact the executive director, who shall notify the chair. Trustees shall observe the guidelines set forth in this communications policy in connection with any speaking engagement.
14. In their external communications, trustees shall:
 - a. Speak on behalf of the board only when explicitly authorized to do so by the chairman;
 - b. Respectfully indicate (i) when they are representing a personal position, opinion, or analysis, whether the same or different from a board-approved position, (ii) when their position, opinion, or analysis does not represent the official position of the board, and (iii) when their position is in opposition to the position of the board;
 - c. Indicate if they are speaking in a capacity other than that of a member of the board;
 - d. Make known to the executive director in a timely fashion if a personal position, opinion, or analysis was publicly communicated, such that it could receive media coverage. The trustee shall advise as to whom the communication was made and what was discussed; and

- e. Maintain the confidentiality and security of any privileged, restricted or confidential information.
15. Trustees may indicate publicly that they disagree with a policy or decision of the board, but shall do so respectfully and shall abide by the policy or decision to the extent this is consistent with their fiduciary duties.
 16. Communications by trustees, when acting in their capacity as trustees, should be consistent with their fiduciary duty to represent the interests of all system participants.
 17. Written press releases concerning the business of the system shall be the responsibility of the executive director and shall clearly and accurately reflect the provisions of the SPP Article and the policies of the board. The executive director shall submit to the chairman and the vice chairman for approval all press releases of a sensitive or high profile nature, or pertaining to board policy. Such press releases shall generally be shared with the board prior to their release.
 18. To ensure the accuracy of materials prepared by trustees for publication or general distribution, which are related to the affairs of the system, and to ensure that the system is not inadvertently placed at risk, trustees agree to provide such material in a timely manner to the executive director, or his or her designee, for review prior to distribution or publication.

BACKGROUND

1. State Personnel and Pensions Article, §21-115(b)(2) provides that the Investment Committee (“committee”) shall include “three representatives from the public appointed by the Board of Trustees with the approval of the Board of Public Works for staggered three-year terms.” These public members may not be members, retirees, or beneficiaries under any of the several systems, must have had experience in the management and control of large investments, and must have at least 10 years of substantial experience as any one of the following or combination of the following:
 - a. A portfolio manager acting in a fiduciary capacity,
 - b. An employee or principal of a trust institution, investment organization, or endowment fund acting in either a management or investment related capacity,
 - c. A chartered financial analyst in good standing, or
 - d. A professional engaged in a public or private financial or investment field that is comparable to the above-listed fields.
2. One of the staggered three-year public advisor terms ends on June 30 of each year. In order to facilitate the efficient nomination and transition of new public advisors, the board and its committee will utilize the following selection policy.

Call for Nominations

3. By January 31, the chairmen of the committee and the board each shall make a call for nominations by members of the board and committee for the public advisor position, for the term that begins July 1 of that year. The deadline for nominations shall be March 1.
4. The executive director and the chief investment officer shall develop and carry out a plan for identifying possible nominees for the public advisor position. This plan shall include an outreach strategy that ensures a broad and inclusive reach into the Maryland investment community and its professional associations.
5. The chairman of the committee shall determine the interest of the incumbent public advisor in being considered for another three-year term.
6. In making nominations, trustees and incumbent public advisors shall take into account the statutory requirements of a public advisor, as well as the board’s interest in achieving and maintaining diversity throughout the system, including board committees.
7. Trustees and incumbent public advisors, on behalf of their nominees, shall submit a brief biography and resume that clearly demonstrate the qualifications of the nominees to the respective chairmen by the deadline indicated above. Additionally, each nominee shall be required to submit four (4) professional references.

Public Advisor Candidate Review

8. The executive director and the chief investment officer shall hold an informational meeting with each nominee between the close of nominations and the May meeting of the committee. These meetings are for the purpose of explaining the system, its investment program, the function of the committee, and the duties and responsibilities of the public advisor. This meeting will also serve to determine the nominee's background, experience, perspective on investment management, and other relevant issues as well as the nominee's interest in being considered.
9. From the pool of candidates, the executive director and the chief investment officer shall identify up to three candidates whose names and background information shall be submitted to the committee for interviews.
10. The chairman of the committee, the executive director, and the chief investment officer shall develop the set of questions for the interview of nominees by the committee.

Public Advisor Candidate Interviews

11. Prior to the May committee meeting, the executive director and the chief investment officer shall prepare a summary report on each nominee that provides the results of the public advisor candidate review. These summary reports shall be regarded as confidential documents pursuant to General Provisions Article § 4-311 and shall be made available to trustees and the two incumbent public advisors whose terms are not ending. All discussions pertaining to these documents shall be held in closed session pursuant to General Provisions § 3-305(b)(1).
12. To determine whether the nominees meet the statutory requirements for a public advisor, the executive director shall coordinate a thorough review of the public record for each nominee and information available through internet searches. The outcome of this review shall be reported as part of the summary report referenced in paragraph 1 above.
13. At its May meeting, the committee shall interview each nominee. The committee chairman shall lead the interviews. A set of questions shall be asked of each nominee; however, the committee shall not be limited to those questions.

Public Advisor Selection

14. By a majority vote, the committee shall select, from the pool of public advisor nominees, one individual whom the committee shall then recommend to the board for approval at the May meeting of the board.
15. With the board's approval, the nominee's name shall be submitted to the Board of Public Works for appointment during the month of June. Prior to submission of the nominee's name to the Board of Public Works, the executive director shall coordinate the completion of a background check and reference checks.

Unexpected Openings

16. In the event a public advisor position becomes open unexpectedly between terms, the board and committee shall adjust the search schedule set forth in this policy as needed to both follow the procedures described in the policy and fill the position within a reasonable amount of time.

Benchmarks

2. Performance benchmarks and success criteria should be specified in advance.
3. Performance benchmarks established to assess the performance of the agency should be:
 - a. Objective and unambiguous;
 - b. Measurable; and
 - c. Achievable.
4. Performance of the investment program should be assessed in accordance with policies contained in the Investment Policy Manual.

To ensure that the costs of the benefits are properly measured and reported, an audit of the system's actuarial valuations shall be performed by an independent actuary in accordance with generally accepted actuarial principles and practices. The purpose of such an audit is to provide an independent critique of the reasonableness of the actuarial methods and assumptions in use and the validity of the resulting actuarially computed liabilities and required contributions. An independent actuarial audit shall be performed as follows:
 - a. A partial audit shall be conducted at least once every five years. The audit shall include an appropriate sampling of "test lives," sufficient to research a conclusion on the validity of the actuarially computed liabilities of each plan and the required contributions.

- b. In any year in which a new consulting actuary is hired, a full replication audit of the system shall be performed concurrently with the first annual actuarial valuation performed by the new consulting actuary.
- c. In any year in which the actuarial assumptions are changed, actuarial funding methods are changed, significant plan changes are made, or actuarial errors occur, based upon the magnitude of the change(s) or errors, and at the discretion of the board, a partial (sampling of “test lives”) or full replication audit of the system may be performed.
- d. Notwithstanding any other independent actuarial audit, a full replication audit of the system’s liabilities and contributions shall be performed at least once every ten (10) years.

**MARYLAND STATE RETIREMENT AND PENSION SYSTEM
CODE OF CONDUCT AND POLICY ON GIFTS AND TRAVEL**

Help ensure that all policies adopted by and actions taken by the Board of Trustees are consistent with applicable law and the fiduciary duties of the board and staff.

POLICY GUIDELINES

1. Each trustee (including designees) and member of a committee of the board shall:
 - a. Act honestly and in good faith and in the best interest of the System's participants;
 - b. Conduct himself or herself with decorum, integrity, and professionalism in all aspects of his or her duties and relationships with fellow trustees, staff, service providers, and other constituents;
 - c. Exercise care, skill, prudence and diligence in all aspects of his or her decision making;
 - d. Actively prepare for each meeting by thoroughly reading all meeting materials in advance;
 - e. Deal fairly, objectively, and impartially with all participants and beneficiaries;
 - f. Maintain independence and objectivity by, among other actions, avoiding conflicts of interest, refraining from self-dealing, and ensuring that he or she does not obtain or receive, directly or indirectly, a personal profit, gain or other monetary benefit as a result of his or her relationship with the System;
 - g. Disclose any actual or potential conflict of interest that prevents his or her participation in a matter before the board; and
 - h. Abide by all other policies of the board.
2. Each trustee agrees to abide by the laws and regulations pertaining to the System and the board, particularly the:
 - a. System's governing legislation (State Personnel and Pensions Article);
 - b. Regulations promulgated by the board (Code of Maryland Regulations, Title 22);
 - c. Open Meetings Act (General Provisions Article, Title 3);
 - d. Maryland Public Ethics Law (General Provisions Article, Title 5);
 - e. Public Information Act (General Provisions Article, Title 4);
 - f. State procurement laws (State Finance and Procurement Article, Division II); and
 - g. State standard travel regulations.

Gifts

3. The Maryland Public Ethics Law prohibits trustees from soliciting any gift. Moreover, aside from a few limited exceptions, trustees are prohibited from accepting any gifts from a controlled donor (individuals or entities that do or seek to do any business with the System, are regulated by the System, have private interests that can be impacted by an official's performance of duties, or are regulated lobbyists). Even if the gift falls within one of the limited exceptions, such as a meal or beverage consumed in the presence of the donor, *a gift with a value of more than \$50 (\$20 for a State employee or official), or two or more gifts totaling \$100 or more, must be reported as a gift on the trustee's annual Financial Disclosure forms submitted to the State Ethics Commission.* (See Appendix 3 for the statutory provisions.)

Travel

4. An entity's payment of conference expenses for a trustee is a gift to the trustee. Therefore, aside from a few limited exceptions, trustees shall not permit an entity that does or seeks to do any business of any kind within the Maryland State Retirement and Pension System to pay the trustees' expenses associated with attending the conference. Even if the gift falls within one of the limited exceptions, such as a meal or beverage consumed in the presence of the donor, *such a gift with a value of more than \$50 (\$20 for a State employee or official), or two or more gifts totaling \$100 or more, must be reported as a gift on the trustee's annual Financial Disclosure forms submitted to the State Ethics Commission.* (See Appendix 3 for the statutory provisions.)

It is possible that attendance at an educational conference with no registration fee for any attendees may not be considered a gift to the trustee. In addition, reasonable expenses for food, travel, lodging in return for participation on a panel or a speaking engagement at a meeting may also be permitted. It is important to note that the Maryland Public Ethics Laws apply to expenses paid by a controlled donor in connection with conference attendance regardless of whether a trustee's attendance was arranged by staff of the agency. Before attending an educational conference sponsored by a controlled donor with no registration fee, or accepting payment of expenses in connection with attendance, trustees should consult with the State Ethics Commission or the executive director to discuss whether an exception is available.

ENFORCEMENT PROVISIONS

5. The chairman, in presiding over meetings of the board, shall enforce and attempt to rectify any breaches of the Code of Conduct that may occur during meetings of the board. Similarly, committee chairmen, including ad hoc committees, shall do the same during meetings of the committee.
6. A trustee who is aware of any possible breach of this Code of Conduct shall promptly disclose the information regarding the breach to the chairman and vice chairman in a signed written statement. In no event shall the disclosure of this information be made more than thirty days from the day on which he or she knew of the breach. The chairman and vice chairman, in consultation with the Maryland Attorney General's Office, shall consider the disclosure and take whatever action they determine to be appropriate under the law and circumstances of the disclosure.
7. In the case of disclosure of any alleged breach of this Code of Conduct involving the chairman, the report should be made to the vice chairman and the executive director. In the case of disclosure of any breach of the agreement involving the vice chairman, the report should be made to the chairman and the executive director. The same procedures should be followed as set forth in Paragraph 6 above.

The plan shall identify the assignment of responsibilities, methods for reporting progress against the plan, and timeframes for the completion of each goal. The executive director and trustees shall review progress against the long-range strategic plan by the close of the fiscal year and simultaneous with the analysis of the previous year's annual business plan. Modifications to the long-range plan shall, if necessary, be made at that time, thus maintaining a perpetually long-range perspective of agency development.

APPENDIX 1

MODIFIED “ROBERT’S RULES OF ORDER”

What is parliamentary procedure? It is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion.

Why is parliamentary procedure important? Because it’s a time-tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert’s Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups. So it’s important that everyone know these basic rules!

Organizations using parliamentary procedure usually follow a fixed order of business. Below is a typical example:

1. Call to order.
2. Roll call of members present.
3. Reading of minutes of last meeting.
4. Officers’ reports.
5. Committee reports.
6. Special orders--Important business previously designated for consideration at this meeting.
7. Unfinished business.
8. New business.
9. Announcements.
10. Adjournment.

The method used by members to express themselves is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue. Individual members can:

- a) Call to order.
- b) Second motions.
- c) Debate motions.
- d) Vote on motions.

There are four basic types of motions:

Main Motions: The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.

Subsidiary Motions: Their purpose is to change or affect how a main motion is handled, and is voted on before a main motion.

Privileged Motions: Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.

Incidental Motions: Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

How are motions presented?

- Obtain the floor.
- Wait until the last speaker has finished.
- Rise and address the chairman by saying, “Mr. Chairman, or Mr. President.”
- Wait until the chairman recognizes you.
- Make your motion. Speak in a clear and concise manner. Always state a motion affirmatively. Say, “I move that we ...” rather than, “I move that we do not...” Avoid personalities and stay on your subject.
- Wait for someone to second your motion. Another member will second your motion or the chairman will call for a second. If there is no second to your motion it is lost.
- The chairman states your motion. The chairman will say, “It has been moved and seconded that we...” thus placing your motion before the membership for consideration and action. The membership then either debates your motion, or may move directly to a vote.
- Once your motion is presented to the membership by the chairman it becomes “assembly property,” and cannot be changed by you without the consent of the members.

Expanding on your motion

The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it. The mover is always allowed to speak first. All comments and debate must be directed to the chairman. Keep to the time limit for speaking that has been established. The mover may speak again only after other speakers are finished, unless called upon by the chairman.

Putting the question to the membership

The chairman asks, “Are you ready to vote on the question?” If there is no more discussion, a vote is taken. On a motion to move the previous question may be adapted.

Voting on a motion

The method of vote on any motion depends on the situation and the by-laws of policy of your organization. There are five methods used to vote by most organizations, they are:

1. *By Voice* – The chairman asks those in favor to say, “aye,” those opposed to say “no.” Any member may move for an exact count.
2. *By Roll Call* – Each member answers “yes” or “no” as his or her name is called. This method is used when a record of each person’s vote is required.
3. *By General Consent* – When a motion is not likely to be opposed, the chairman says, “If there is no objection...” The membership shows agreement by their silence, however if one member says, “I object,” the item must be put to a vote.
4. *By Division* – This is a slight verification of a voice vote. It does not require a count unless the chairman so desires. Members raise their hands or stand.
5. *By Ballot* – Members write their vote on a slip of paper. This method is used when secrecy is desired.

There are two other motions that are commonly used that relate to voting:

6. *Motion to Table* – This motion is often used in the attempt to “kill” a motion. The option is always present, however, to “take from the table,” for reconsideration by the membership.
7. *Motion to Postpone Indefinitely* – This is often used as a means of parliamentary strategy and allows opponents of motion to test their strength without an actual vote being taken. Also, debate is once again open on the main motion.

Reconsidering a motion

Motion to reconsider a board action may only be brought by a board member who voted on the prevailing side when the matter was first considered by the board. A board member who cannot move to reconsider can briefly state reasons for wishing that a reconsideration should be moved, provided no debate ensues. The request for reconsideration of previous board action must include in detail any information not previously considered. The motion may be seconded by any board member.

Conclusion

Parliamentary procedure is the best way to get things done at your meetings, but it will only work if you use it properly. To summarize:

- Allow motions that are in order.
- Have members obtain the floor properly.
- Speak clearly and concisely.
- Obey the rules of debate.
- Most importantly, be courteous.
